संदेश

मुझे यह जानकारी अत्यन्त प्रसन्नता की अनुभूति हो रही है कि स्वास्थ्य एवं चिकित्सा सेवा पर आधारित पत्रिका 'कम्युनिटी मेडिकल सर्विसेज इण्डिया न्यूज', लखनऊ का प्रथम संस्करण 'प्राथमिक उपचार' विशेषांक के रूप में प्रकाशित किया जा रहा है।

उत्तर प्रदेश सरकार राज्य की स्वास्थ्य सेवाओं को और बेहतर बनाने की दिशा में कार्य कर रही है। प्रदेश सरकार समाज के गरीब व कमजोर वर्ग को प्राथमिकता पर स्वास्थ्य सेवाओं का लाभ उपलब्ध करा रही है। पत्रिका 'कम्युनिटी मेडिकल सर्विसेज इण्डिया न्यूज' द्वारा 'प्राथमिक उपचार' विशेषांक का प्रकाशन एक सराहनीय प्रयास है। मुझे विश्वास है कि पत्रिका में पाठकों के लिए उपयोगी सामग्री का समावेश किया जाएगा।

पत्रिका के सफल एवं उद्देश्यपरक प्रकाशन हेतु मेरी हार्दिक शुभकामनाएं।

(योगी आदित्यनाथ)

World Health Organization

** Publications : In collaboration with WHO Publications

*The Regional Director of the World Health Organization, Regional office for South East Asia is the copyright owner of "Essential Drugs for primary health care" and "Self Care for Health" has Granted reproduction right to **Indian Allied Health Association (IAHA)**, Lucknow for Health Worker & Volunteers, w.e.f. 20 November 2019 & 21 August 2020.*

Profile of the IAHA

Indian Allied Health Association (IAHA) is registered in Lucknow under the SR Act 21 of 1860, . The core intent of IAHA is to promote Allied Health Education in the country.

The objective of the Allied Health Vocational Education Program is to ensure that educational opportunities for development of Primary Health Care.

The emphasis of allied health vocational education programme is on developing a cadre of skilled primary health care workers, by turning the unskilled to skilled.

Allied Health Vocational courses are generally offered through open /continuing & online distance education mode accredited vocational training centers (VTC).

In VTC, the teacher -

- i) Facilitates in the learning process.
- ii) Provides guidance and counselling
- iii) Monitors and evaluates learning
- iv) provides feedback and helps the learners to develop the required skills.

The Allied Health vocational courses of IAHA are offered in range of broad areas such as Primary Health care, Yoga & Naturopathy, Ayurveda, Alternative Therapies etc.

MISSION

The Allied Health Vocational Courses is to prepare students to contribute to a global society and diverse workforce as productive, responsible and engaged citizens and as well-educated health care professionals.

VISION

To recognize ourselves in the leadership position among the best centre for excellence in education ,training, practice and research to meet the challenges concerned to the human health.

AIMS

The Indian Allied Health Association Aims to provide trained, qualified, technical personnel in the field of Health Sector to support the medical profession,

The emphasis of the Allied Health education programme is on developing a cadre of professionals, especially socially backward groups and rural youth . Focuses on the concept of turning the unskilled Health workers to skilled .

- ✓ To support rural and remote area people with affordable allied health education.
- ✓ To provide effective representation, promotion and communication of allied health interests in the development and implementation of policies .
- ✓ To Provide national leadership on shaping and supporting the contribution made by allied health to health and wellbeing .
- ✓ To strengthen the delivery with qualified candidates.
- ✓ To promote and support allied health workforce
